**2010
LESSON PROGRAMS
FOR**

Harmony Hills Equestrian Center, Inc.

**LESSONS THAT ARE ARRANGED AND PAID FOR ON A ONE
TIME OR 'AS ARRANGED' BASIS:**

This is for those who do not wish to commit to a lesson format and the fees are as follows:

Private lessons (1 hour)-----	\$50
Private lessons (1/2 hour)-----	\$40
Semi-Private lessons (1 hour)-----	\$45*
Group lessons (1 hour)-----	\$35*

LESSONS IN OUR 8 WEEK SESSION FORMAT:

For those who wish to commit to weekly lessons under to following conditions:

- Sessions are in 8 week segments and with regular lesson times as arranged by the instructors and/or office. Sessions are purchased as such and can only be bought in less than 8 week segments if a student is starting at HHEC for the first time in the middle of a session where they will be pro-rated accordingly. After that sessions are purchased as a full package and as such must be paid in full to receive the discount.

- Absences in each 8 week session can be made up under the following conditions:
 - The student must call the office or the instructor within 24 hours of their scheduled lesson time. If the student does not call or make previous arrangements the lesson is forfeited with no reimbursement or re-scheduling of the lesson.
 - The lesson rescheduled must be of the same type: group, semi-private or private or the difference in price must be paid.
 - Lessons must be made up by the end of the session or if missed in the last week by two weeks into the next session unless otherwise arranged by the instructor or office for special circumstances.
 - Lessons missed in one session *can not* be carried over to 'off-set' the cost of the next session.

- Payment is due either in full on the first week of the session or half on the first week and half on the fourth week of the session, but to receive the discount you must pay for a FULL session or your account will be charged the non-session lesson price!

- If an individual signs up for more than one session per period they will receive an additional 5% discount per session. They do not have to be of the same type of lesson. For example one can sign up for 8 weeks in private lessons and another 8 weeks in group lessons and get the discount for both sessions as long as they are in the same time period.

- Students who are sign up for at least one session may arrange for additional lessons if they want at the rate of \$45 private/\$35 semi-privat/\$30 group rate if an instructor is available. This must be in the time frame of the 8 week session they are signed up for and not for subsequent weeks if they do not sign up for another session.

- Every effort will be made to place those wanting group or semi-private lessons with an appropriate group. However, sometimes this is not possible. If the student has requested a group and none is available they may have to be in another session (like private or semi-privates) till one can be found and will be responsible for payment for the type of session they are in or they can select another schedule of riding to meet their budget like every other week at full cost.

- Also we will not be offering sessions on Sundays. This is because we use Sundays as "Special Activity" days for clinics, shows, specialty classes and events. Sundays however can be used as a make up day if needed.

STARTER PACKAGE

This 4 lesson package is designed to introduce the beginner horse rider to horseback riding in a safe one on one setting. Each lesson is 45 minutes.

It is recommended for all riders without riding experience before committing to one of our 8 week sessions, but can also be a wonderful gift for someone interested in trying horseback riding.

The goals of this class are to teach the new horse enthusiast how to safely handle and be around a horse on the ground, how to tie, groom, tack-up and un-tack a horse. Riding goals are to learn the basics of steering, halting, walking and trotting along with mounting and dismounting. Students will also learn how to care for tack and learn the terms to identify and use the equipment needed to ride
